We recognise and celebrate that we are all <b>fellow</b> brothers and sisters within a big global family and that we are <b>stronger together</b>	Wisdom is <b>the knowledge and good sense that we gain with experience</b> which allows us to follow good values and make good choices	Hope is <b>our deep faith in God's promise</b> that love and goodness have, and will, overcome sadness and badness in the world

<b>Key question</b>	Who am I? Do I belong?	How can I change myself to protect the world? Start a ripple, create a wave	What do I want & what do I need?	Why am I here? What is God's unique task for me?	How should I live my life?
