

TOPIC OVERVIEW

Year Group: 6

Term: Autumn 1

Key Question: Have humans changed the world for the better?

Creative:

Thinking of climate change solutions

Art—collages

Healthy:

Games/ REAL PE

Jigsaw PSHE sessions

Active:

Games/REAL PE

Geography fieldwork

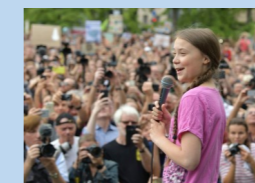

Inspiring:

Geography fieldwork

Study of Isaac Newton

Climate change solutions and activists

Nurturing:

Links to RE—Hinduism

PSHE—Being Me

Peer to peer massage

Writing

Key Texts:

German In the Woods

Diaries WW2—Tom Oakley

Key Focus:

Conquering the Monster tale

Diary entry

Maths:

Place Value

Values to one million

Addition/ Subtraction/ Multiplication & Division

Column Addition

Column Subtraction

Column Multiplication

Short and Long division

Square and Cube numbers

Reading:

Key Texts:

Holes

Focus:

Diary entries

Non-Fiction texts

Letters

Biographies

Science

Light & Seeing

Recognise that light appears to travel in straight lines

Investigating reflection

Investigating refraction

We see things because light travels from light sources to our eyes.

Identify scientific evidence that has been used to support/refute ideas.

Isaac Newton and 'The Colour Wheel'

Geography

Cornwall—Beaches, Tourism, Truro

Collect/analyse statistics to draw conclusions about a location.

Identify and describe how the physical features affect human activity.

Use geographical resources and different types of fieldwork sampling.

Create maps of locations.
