RESPECT VALUE GRID

Contributions made by our families will be highlighted in pink bold font

The word **Respect** is a translation of the Greek word *timesate*, meaning "honour or value." To respect everyone, believers must be conscious that God has created all people in His image, regardless of whether they believe in Christ. We should show them proper respect and honour because their souls are of more value than all the wealth in the world (Luke 10:33–34; <u>1 Corinthians 10:33</u>).

Reverence is the proper human response to what is holy and sacred. It is related to awe and respect. It is this profound respect that is expressed in the Biblical phrase 'the fear of the Lord'. This is not fear in the sense of terror or abject grovelling but a reverent acknowledgment of God's greatness and our complete dependence.
